

Exhibitor & Sponsorship Packages

Continuing the success of its aerosol science related focus meetings, the Aerosol Society is launching 'Bioaerosols' – Focus Meeting 10 in June 2017.

The presence of microorganisms in air is taken for granted, but understanding the identities, distribution and abundance of airborne microorganisms remains in its infancy. However recent rapid advances in molecular biology have the potential to enable enhanced characterisation and rapid quantification of bioaerosols. Biological particles in the atmosphere may be altered by atmospheric chemical processes and have the potential to act as cloud condensation or ice nuclei. Bioaerosols in both the indoor and outdoor environments have a range of detrimental health effects associated with them.

Topics include:

*Emissions from waste management activities
Disease transmission
Healthcare-associated infection
Airborne transmission
Sampling, measurement and characterization
Environmental impact*

As a preferred sponsor, we are offering you not only the opportunity to secure exhibition space and showcase your products, but to highlight your business to our members, delegates and invited guests through enhanced sponsorship options whilst collaborating with the Society to support the next generation of aerosol scientists.

The Event

Aerosol Society Focus Meeting 10 – Bioaerosols

Bioaerosol research is increasingly interdisciplinary and involves aerosol physics, microbiology, molecular biology, environmental science, occupational and public health and others. The purpose of this meeting is to bring together this mix of researchers to present exciting new work and discuss the challenges that still exist in bioaerosol research.

Our Plenary Speakers:

Professor Rob Kinnersley – Environment Agency

Dr Kerry Walsh – Environment Agency

Professor Kinnersley and Dr Kerry Walsh will be addressing the application of molecular technologies for monitoring bioaerosols and evidence-based regulation of bioaerosols.

Our invited talks will be supported by additional contributed talks from our members and a poster abstract exhibition within the exhibitor area.

The Venue

The School of Chemistry, University of Bristol, Cantock's Close, Bristol, UK, BS8 1TS.

- *Your exhibition space is ideally located within the large East Foyer alongside the poster exhibition at the school of chemistry. A buffet lunch and delegate refreshment breaks will also be served here so will provide you with ample opportunity to meet our delegates, network and showcase your business and products.*
- *60+ expected delegates (advance delegate list can be supplied).*
- *Enhanced delegate conference packs – Aerosol Society branded, recycled & reusable canvas bags.*

The Exhibition Package

- Pre-allocated exhibition space within the East Foyer, School of Chemistry, University of Bristol.
- An exhibition table supplied + 2 chairs, electrical power point & space for one pop up banner.
- **Two complimentary exhibitor delegate passes** to include lunch & refreshments.
- Opportunity to provide unlimited promotional material/company literature for distribution within delegate conference bags.
- Your company logo on the programme, mailshots and all event promotional material.
- Your company logo on the Aerosol Society website event page with a link to your company website.
- Your company logo on all branding at the event with a personal thank you to our sponsors at the opening and closing address.
- Opportunity to introduce and demonstrate your products to all our delegates.
- Full delegate list supplied.
- All of the above for only **£299** (exclusive of VAT).

Awards Sponsorship

In addition to exhibiting, or alternatively, we are also offering you the chance to sponsor two awards which will be presented at the end of the conference by yourselves to both the outstanding junior researcher oral presentation and outstanding junior researcher poster presentation.

- Identified as the event award sponsor with your company logo on the programme, mailshots, e-newsletter and all event promotional material.
- Framed prize certificates x 2 including your company logo & officially thanked as the sponsor during the meeting opening and closing address.
- Your company logo on the Aerosol Society website event page with a link to your company website alongside photographs of the presentations and details of the prize winners.
- Opportunity to provide unlimited promotional material/company literature for distribution within delegate conference bags.
- **£100.00 (2 prizes of £50 cash).** The Aerosol Society will administer the cash awards on your behalf.

To secure or discuss any of these options, please contact Sonia Mills
